

Dear Member:

On behalf of the Staff and Board of Directors, we would like to welcome you to the 2019 season at Breton Bay Golf & Country Club. It is my honor to be able to welcome each of you and our staff looks forward to servicing your every need this year.

**NEW GOLF MEMBERSHIP FEES:** Enclosed is your new membership application. We have restructured our golf membership fees for the coming year. We think this new structure will appeal to casual golfers who feel that they do not play enough to justify the prior membership fee as well as the golfer who plays frequently. Membership rates shown in the application include an upfront fee plus a course fee each time you play. The course fee includes a cart fee and is less than one half of the green/cart fees for public play. For the golfer who plays very often we also offer a membership package that provides unlimited golf and cart. Our Family Golf membership includes privileges for children in the family who live at home up to age 26. Adults (18 and older) in a family membership pay the \$25 course fee each time they play. When playing with their parent(s), children under 18 pay no course fee. When playing alone the course fee is \$10.

Golfers please note that we must have your signed application and down payment by April 1 or you will be charged the full public green fee rate.

We are very excited to bring new events, new merchandise and a new perspective to help guide you with your golfing needs. We have the passion and drive to bring new golfers to the Club enabling us to grow the membership and we are excited to teach those people that have not played before or have taken a hiatus from golf and bring them back to be a regular at the Club. Look for new programs this season. Please call upon us with any requests that may enhance your experience here at Breton Bay.

**NO INCREASE IN SWIM-TENNIS MEMBERSHIP FEES:** We are pleased to announce that we have not increased our Swim-Tennis membership fees this year. Our Swim-Tennis memberships are separate from our Golf memberships. A family or individual wishing to purchase both Golf and Swim-Tennis memberships will receive a \$75 discount.

We offer our members an option to pay their membership fees with a 20% down payment and six monthly payments. Members who choose the monthly payment plan will be charged a 10% processing fee due with your down payment. Members can also choose to have their credit card or checking account automatically charged for each month's dues, course fees, Grill, and Pro Shop merchandise purchases.

Please think of us first when it comes to Junior Camps. We know it is difficult to keep kids involved in constructive activities come summer time. We offer golf and tennis camps for juniors of all ages and support the Breton Bay Swim Team. If you have any special requests, we are here to listen and will try to implement those ideas so everyone may benefit.

Please take the time to fill out your application in full and return it to the Business Office to renew your membership by March 31. If you have any questions, please call Judy Sterling at 301-475-3068 for assistance.

We look forward to seeing each of you as the weather improves. Get your golf clubs, tennis racquets and bathing suits out of the closet. It's going to be a fun year!

Sincerely,

Michael D. Harvey, PGA
