

Dear Member:

On behalf of the Staff and Board of Directors, we would like to welcome you to the 2018 season at Breton Bay Golf & Country Club. It is my honor to be able to welcome each of you and our staff looks forward to servicing your every need this year.

Enclosed is your new membership application. As you all know, 2018 brought change to the Club. For one, you have a new team running the golf program headed by me, your new General Manager / Head Golf Professional. Butch Butler will be returning this season so please reach out to us for any golf instruction needs. We are very excited to bring new events, new merchandise and a new perspective to help guide you with your golfing needs. We have the passion and drive to bring new golfers to the Club enabling us to grow the membership and we are excited to teach those people that have not played before or have taken a hiatus from golf and bring them back to being a regular at the Club. Look for new programs this season. Please call upon us with any requests that may enhance your experience here at Breton Bay. Please think of us first when it comes to Junior Camps. I have children and I know how hard it is come summer time. If you have any special requests, we are here to listen and will try to implement those ideas so everyone may benefit.

You will probably notice a nominal increase in fees this year as I felt it was important, along with the Board, to focus on delivering excellent service and provide value to you as a member instead of just raising rates to make ends meet. To that end, we will strive to meet the goals and desires you have had since joining the Club.

Please take the time to fill out your application in full and return it to the Business Office to renew your membership by March 31. If you have any questions, please call Judy Sterling at 301-475-3068 for assistance.

- ***As a special added incentive, we will be offering a 5% credit for any golf dues paid in full before April 1st. Your credit will be posted to your account in April and may be used for any purchase here at the Club.***

We look forward to seeing each of you as the weather improves. Get your golf clubs, tennis racquets and bathing suits out of the closet. It's going to be a fun year!

Sincerely,

Michael D. Harvey, PGA

General Manager / Director of Golf
